(3) To discuss about approval of new Recruitment Rules through DST/ DoPT

Discussing the issue of Revision of Recruitment Rules after 7th CPC, the Director told that satisfactory improvement has been made by DST for Amendment of R/Rules (i.e. Pay Scale amendment) & Gazette Notification. But thorough Revision is required in R/ Rules for Direct Recruitment & opening of promotional avenue as because R/Rules are more than 25 years old. She is trying her level best since her joining as Director of NATMO. She also said that due to non-implementation of 'New Revised Recruitment Rules', she herself is facing various problems to run the NATMO as there is no Joint Director, Deputy Director, Senior Administrative Officer, Administrative Officer, Manager, Senior Statistical Officer, Private Secretary, Senior Library & Information Assistant, Office Superintendent etc. Even 'Staff Selection Commission (ER)' also refused to take any recruitment examination through very old & obsolete R/Rules where educational qualification is VIII passed
